Who's who in ewe abortion?

FREE supper talk - Thursday 14 June

Holsworthy Golf Club, 6:30pm

**Did you see a small increase
in abortions in 2018?**

This could be a warning sign!

Abortions storms often follow a year when there have been only a small number of ewes that slip lamb.

Topics to be covered:

- **Maximising your next season's scanning percentage**
- **Increasing lamb viability and birth weight**
- **How to use vaccines to improve your flock's productivity**
